Queen Elizabeth II

Queen Elizabeth is the longest serving monarch. She reigned for over 70 years.

The jobs of the Queen - Queen Elizabeth jobs were attending meetings and state functions, keeping the country happy

I believe Queen Elizabeth II's greatest achievement is her 70th Jubilee.

Queen Elizabeth was head of the Commonwealth. Which she visited many times

Morayo in 3J was inspired to write a poem to the Queen.

Poem to the Queen

I am writing a poem for
the Queen At first I was
enthusiastic and knee.

But now I'll admit
I'm totally torn

I could write about
the day she was
born, of her jewels
and her crown

I could write
about her favourite
gown! She owns

the whole of
Alderney She is
a most respected

Queen. Queen

Elizabeth will be

90 in April And

for her reign I'm

very grateful.

An example
to us all,
there's no
doubt - maybe
that's what

I'll write my poem about.
