

Update from Year 6

In year 6, we've been working hard on different aspects of our literacy and writing. We've had great fun expressing our thoughts, and pushing the boundaries with our thought-provoking poems, and we've been working on adding suspense and atmosphere into our stories.

Right is an example of one of thought-provoking poems, and below is a short cyclical story based on an animation called "Road's end"

We hope you enjoy them as much as we did writing them.

KINGS AVENUE SCHOOL ASSOCIATION (KASA)

Here at Kings Avenue we have a wonderful parent and staff organisation called KASA. We work together to raise funds for new and exciting experiences for the children across the school. We raise funds through a variety of events such as cinema evenings, cake sales, ice lolly sales, discos and summer fairs. In the past we have successfully raised money for classes to go on trips, for classes to have discos and for the theatre companies to visit the school. Most recently we have paid for the children to watch two festive pantomimes.

KASA enjoy working together to raise funds for our children and there is always space for you to join or to volunteer at an event. If you would like more information about KASA, to join, or volunteer, please register your interest at the school office and one of the members will contact you.
