

## FLAMENCO DANCING 12<sup>TH</sup> AND 13<sup>TH</sup> FEBRUARY 2020

Kings Avenue School explored the Spanish dance 'flamenco'. The children participated in workshops in which they learnt flamenco dance moves and practised routines to Spanish music. They then got to pose for a photo in which children held up traditional Spanish fans. This allowed the children to truly appreciate a part of Spanish culture, while exercising their dancing muscles!

## SPANISH DAY! 6<sup>th</sup> FEBRUARY 2020

Spanish day was a celebration of the Spanish language and cultures of those who speak Spanish as their native language around the world. The children learnt more about what makes these cultures unique and inspiring for us to be a part of. The children also created art linked to the Mexican festival, 'Day of the Dead'. The day was a success and the children had a whale of a time!
