# Computing At Kings Avenue

Children at Kings Avenue have access to a variety of technology including Ipads, desktop computers, Beebots and more!

Do you work for a tech company? Would you like to be involved in computing at Kings Avenue? We would love to work with companies to support our children's learning! Please ask for more details.

Algorithms and programming

COMING SOON!! We will be getting new interactive whiteboards for all classrooms!

code club

COME TO CODE CLUB!

Say hello to our Digital Leaders! They run our lunchtime Code Club every Friday and support other children into becoming fantastic coders!
